

Dear Sirs,

Hope you are all keeping healthy in this pandemic. My sincere wishes of a speedy recovery to those affected by it. With reference to Coaches Education, the All India Football Federation has come up with Minimum Criteria Requirements (MCR) for all Golden Baby League Operators, clubs, standalone academies and State FAs for concerning leagues and competitions. As mentioned in the attached deck, the MCR will be applicable from the next season (2021/22). We'd request you to kindly take note of the same and also inform all concerned stakeholders registered or affiliated to your Association.

This is also to inform you that AIFF will soon be announcing the dates for AIFF Introductory Goalkeeping and Futsal Certificate courses starting in October, 2020. These will be 3-day online courses. Please note that these will be used for the AIFF Club Licensing Criteria in the future as mentioned in the MCR. We'd request you to kindly inform all the registered clubs and academies about them. The information on the application and dates will soon be shared on the AIFF Coaching Portal and the website.

Regards,

Pushpargha Chattopadhyay
Head of State Development
